Assembly Bill 1826 & Senate Bill 1383 both mandate the recycling of commercial organic waste. This means that all businesses and multi-family complexes must have an organics recycling program. Organic waste is defined as: food waste (commercial sector only), green waste, landscape, and pruning waste, nonhazardous wood waste, and food-soiled paper waste that is mixed in with food waste.

Reason for Waivers (complete all that apply and provide additional information as required):

- Third-Party or Self-Hauling of Organic waste and/or Commercial Recyclables. A person or organization can collect all Organics and/or Commercial Recyclables from this location, at no cost. This includes food donations to people or animals. Please provide a description of the material, the amount generated each week (weight in pounds), and name of collector or organization. *If you use this option, your business will also need to fill out Third-Party form and report tonnages.***

Material type	Pounds per week	Name of Company, Address, Contact Name, And Phone #	Activity Conducted with Material (ex. Composted or Feed)

- There is insufficient space for storage or service of hauler provided containers.**
 - Validated by jurisdiction staff, hauler, licensed architect, or engineer.
 - Documentation and pictures must be submitted with waiver request.
